S Line

Where proven reliability meets next-gen convenience.

Dolphin S 3000 reaches every part of your pool, including shallow areas, steps, and sun-ledges as low as 30 cm / 12" - so even the most visible spots stay spotless. **Dolphin S 3000** features advanced multilayer filtration to trap coarse and ultra-fine debris, and a swivel cable that prevents tangles for full coverage.
With six pre-programmed cleaning modes and a weekly timer, you can tailor cleanings to your needs and let the robot do the rest.
With the MyDolphin™ Plus app, you're always connected, so you can schedule cleanings or control your robot from anywhere, at any time.
